ORDER

The judgment sought to be reviewed was passed by me at the admission stage. The main ground on which review is sought is that Ext.P1 will show that the petitioners are appointed as Attenders who comes within category III and that the cases pending before the Supreme Court are all cases pertaining to Attendants who come within category IV. The learned Government Pleader submits that since the case was disposed of at the admission stage itself, the above aspect of the matter could not be brought to the notice of the court. I am inclined to accept the above submission of the learned Government Pleader. I recall my judgment dated 23.1.2006. Allowing the Review Petition I direct posting of Writ Petition before the learned Judge who is presently dealing with service matters at the earliest. Considering the above directions, the order directing that the petitioners will not be terminated from service unless otherwise ordered in that regard by the Supreme Court in the pending cases will continue for a period of 10 more days from today.
